For the purpose of this Privacy Policy, we are NOT a Data Controller of your personal information.

"Do Not Sell My Personal Information" Notice for California consumers under California Consumer Privacy Act (CCPA)

Under the CCPA, California consumers have the right to:

- Request that a business that collects a consumer's personal data disclose the categories and specific pieces of personal data that a business has collected about consumers.
- Request that a business delete any personal data about the consumer that a business has collected.
- Request that a business that sells a consumer's personal data, not sell the consumer's personal data.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

Analytics

Google Analytics is a web analytics service offered by Google that tracks and reports website traffic. Google uses the data collected to track and monitor the use of our Service. This data is shared with other Google services. Google may use the collected data to contextualize and personalize the ads of its own advertising network.

You can opt-out of having made your activity on the Service available to Google Analytics by installing the Google Analytics opt-out browser add-on. The add-on prevents the Google Analytics JavaScript (ga.js, analytics.js, and dc.js) from sharing information with Google Analytics about visits activity.
